

Open House Meeting Notice

Construction Package 1 (CP 1)

CP 1 Madera to Fresno

About the Project:

Construction Package 1 (CP 1) is the first significant construction contract executed on the Initial Operating Section of the high-speed rail program. The CP1 construction area is a 29-mile stretch between Avenue 17 in Madera County to East American Avenue in Fresno County. It includes 12 grade separations, 2 viaducts, 1 tunnel and a major river crossing over the San Joaquin River. Current pre-construction activities are underway, and significant construction is anticipated to begin in late 2014, wrapping up in 2017. The Fresno River Viaduct is the first major structure scheduled to be built this summer in Madera.

Purpose of Meeting:

- Provide information on elements of the project in Madera, including design, right of way, small business and employment opportunities.
- Provide information on Fresno River Viaduct where the work will commence.
- Meet the community & introduce the team.

Meeting Date and Location
