A NEW HOPE

One in three people in the United States will be diagnosed with cancer in their lifetime. One of those people could be you or someone you love. That's the reason there is a Relay for Life. When you join a Relay For Life event, you're helping to fund crucial education, prevention, and patient care programs and groundbreaking research. When you relay, you save lives!

AWAKEN THE FORCES AND JOIN US

IN HELPING STRIKE BACK AT CANCER!
