

Dear Friends and Business Owner,

The Madera Leo Club is a service club for young adults. All the members are students from high schools in Madera. The Leos are currently fund raising for their project of providing new coats for children in Madera who cannot afford one. What the Leos are very proud of is the talent show, Madera's Got Talent. The 4th Annual Madera's Got Talent will be held on September 14, 2019. The first Madera's Got Talent was started to help the Leos purchase coats for children. However, we have found that not only does it help buy coats, but also it has become a huge platform for children in Madera to share their talent with the community. From singing, dancing, cheering, playing musical instruments, we have watched these talented students grow, improve and take our breath away.

Last year the Leos purchased and delivered 250 coats to children in Madera. In the past years, we have asked for support from friends and businesses like yours to help by providing a donation that will be used for the cost of coats. This year, we would like a portion of your donation to be given to help families of contestants attend the show. Last year, one of the contestants, shared with us that he didn't tell his parents about the show. He said he knew they wouldn't be able to afford the tickets. We would like to help students like him bring their families.

Please consider donating to the Madera Leo Club to help sponsor the Madera's Got Talent:

Silver Sponsor: \$100

Bronze Sponsor: \$200

Gold Sponsor: \$300 +

All sponsors will have recognition in the program and their name or company name on a banner. Any donation will be greatly appreciated! Checks may be written to "Madera Leo Club," please provide a business card or your name, address, phone, and email. We would like all donations by August 31st. Please call or email us for any questions.

Thank you,

Ruth Nishimoto
